Monday 4<sup>th</sup> February 2019

Dear Parent/Carer,

Last year, we worked with staff and pupils and through sharing our 'Vision and Values' we chose our school core values which underpin the British Values of democracy, law, liberty, tolerance and mutual respect.

We are now planning to hold an additional assembly in school each half term to celebrate the children's achievements. During the assembly, one pupil from each class will be awarded a 'Headteacher Core Values Award', which will be for outstanding achievement in one of our following key areas:

- Strong
- Team
- Ambition
- Respect
- Shine

The children have undertaken work in their classes to consider ways on how they can be nominated by their teachers for this special award.

The parents of each child nominated will be invited to the assembly on the Friday before the end of half term and will enjoy a celebration assembly followed by refreshments with their child and a member of the Senior Leadership Team. We will cater for any dietary requirements.

Our first core values assembly will be held on Friday 15<sup>th</sup> February at 2.00pm and invited parents will receive a letter on Friday 8<sup>th</sup>.

Yours sincerely,

Gill Wilson  
Headteacher

'The school's work to promote pupils' personal development and welfare is outstanding' – Ofsted October 2018
