

The Rev'd Peter Dobson – Governor Profile

I count myself very fortunate to have been a Co-opted Governor at Woodlawn School since May 2017 and Vice Chair since September 2017, it is a privilege to be so involved in a school community that is blossoming, a special place with a wonderful sense of belonging.

Working together to foster community by looking for the best outcomes for all is, in a sense, how I came to be involved at Woodlawn, first of all, from a community perspective, as the Vicar of Woodlawn's Parish Church, St. Peter's, Monkseaton. In addition to my involvement as a Governor, I enjoy being a part of school assemblies and spending time with classes as the local Parish Priest, talking about my work and contributing a little to the school's social and moral education.

In the Parish I served before coming to be the Vicar of Monkseaton I was, first of all, a Community Governor in a new First School on The Great Park, before being part of the Steering Group which brought about the Gosforth Schools' Trust, going on to become one of the schools' Foundation Governors.

In my spare time I enjoy reading and swimming, walking and camping, continuing to be involved in Scouting (as I have been most of my life) as a Group Scout Leader in Killingworth.
